

Thank you for your interest in **Montessori Farm School!**

We've had an incredibly busy enrollment season, and at this time, our school is **fully enrolled for the 2025–26 school year.**

Interested in 2025–26?

If you'd like to be contacted **should a spot open up**, simply reply to this email with **“Interested in 2025–26,”** and we will add you to our interest list. If a space becomes available, we will reach out to families on that list to schedule tours and begin the application process.

Planning Ahead for Future Enrollment?

We love that you're thinking ahead—early planning is a great way to secure a spot! We'd be delighted to show you our school and share more about our program. However, to maintain consistency in our classrooms, we **only offer tours starting in the fall before an enrollment year begins.**

Here's what that means:

- If your child will be **three years old in the fall of 2026**, we will begin tours for that enrollment cohort in **October 2025.**
- If you're interested in **2026–27 enrollment**, reply with **“Interested in 2026–27,”** and we will add you to our priority contact list.

Many of our spots fill early due to strong retention and early interest. Families who reach out in advance often secure spots before we open tours more widely. If you're already planning ahead, it's a great sign that **Montessori Farm School could be a great fit for your family!**

Learn More While You Wait

While you wait for your tour opportunity, we invite you to explore more about our school:
